George Molina  
Interior Demolition Inc.  
6708 Foothill Blvd #106  
Tujunga, CA 91042

Dear Mr. Molina,

On behalf of the City of Lancaster, let me express our sincere appreciation for your help as Demolition Contractor. The Lancaster University Center Grand Opening on September 14, 2004 was a huge success. Also, the University Center building looks terrific.

Thanks to your participation and dedication, our students will now have the chance to earn a degree in computer engineering, electrical engineering, mechanical engineering or any one of nearly a dozen fields of study without leaving the Antelope Valley.

Sincerely,

  
FRANK C. ROBERTS  
Mayor
